## **WHO ARE WE?**

For more than 40 years, the Medicine Hat Hockey Hounds have been a part of the Medicine Hat and area. In that time, the club has donated more than two million dollars to the community and the city at large for a variety of causes.

The Hockey Hounds are a major sponsor of minor hockey in Medicine Hat and area. The Hockey Hounds also work hand in hand with Minor Hockey for "hardship" cases where registration fees are paid for less fortunate families so their children can have a chance to play hockey. The Hockey Hounds distribute five \$500.00 athletic scholarships annually to the four high schools in the Medicine Hat area and one to the Medicine Hat College. The club is also proud to contribute funds to Redcliff Minor Hockey for the development of players and referees as well as to Irvine Minor Hockey, most recently for the purchase of netting to protect spectators at the Irvine Complex.

In recent years, the Hockey Hounds have pursued a new direction. The club's purpose has changed to "The promotion and development of hockey in Medicine Hat and area." Working with the community at all levels, the Hockey Hounds have invested in the training and education of minor hockey parents, players, officials and coaches, with a special emphasis on leadership through a coaches mentorship program.

The showcase event for the club is the Annual Major Bantam Hockey Tournament held each fall in November. It features the best bantam teams from Western Canada and the United States. Many of today's NHL stars have participated in this tournament.

The Hockey Hounds are pleased to once again be associated with the Medicine Hat Tigers. Through our Tigers sweater draw, the Hockey Hounds assist in raising money for the Tigers Education Fund for graduating players who elect to pursue a post-secondary education.
